Re: Damon v. Camsan, Inc.
EEOC Charge No. 523-2019-00051

Dear Mr. Damon:

The Equal Employment Opportunity Commission (hereinafter referred to as the "Commission") has reviewed the above-referenced charge according to our charge prioritization procedures. These procedures, which are based on a reallocation of the Commission's staff resources, apply to all open charges in our inventory and call for us to focus our limited resources on those cases that are most likely to result in findings of violations of the laws we enforce.

In accordance with these procedures, we have examined your charge based upon the information and evidence you submitted. You allege you were subjected to employment discrimination because of your religion, national origin, age and genetic information in violation of Title VII of the Civil Rights Act of 1964, as amended, the Age Discrimination in Employment Act of 1967, as amended and the Genetic Information Nondiscrimination Act of 2008, as amended.

Based upon this analysis the Commission is unable to conclude that the information establishes a violation of Federal law on the part of Respondent. This does not certify that Respondent is in compliance with the statutes. No finding is made as to any other issue that might be construed as having been raised by this charge.

The Commission's processing of this charge has been concluded. Included with this letter is your Notice of Dismissal and Right to Sue. Following this dismissal, you may only pursue this matter by filing suit against the Respondent named in the charge within 90 days of receipt of said notice. Otherwise, your right to sue will be lost.

If you have any questions, please contact Anthony M. Pino, Jr., Enforcement Supervisor, at 1-617-565-3192, Monday to Friday, during normal business hours.

Sincerely,

For
Kenneth An, JD
Director
